12 TOWN & COUNTRY PLANNING ACT 1990

12.1 Planning Applications

12.1.1 RECEIVED a schedule (Appendix A - filed in Minute Book) of planning decisions made by the Lewes District Council, and comments made by the Clerk since the last Meeting, in relation to outstanding Planning Applications, under the Council's adopted procedure.

12.1.2 LW/05/0634 - Erection of detached 5 bedroom house on land adjoining Kingston Manor, at the southern end of The Street for Mr. C. Lloyd.

The Parish Council objected to this development on the following grounds:

1 The Parish Council is aware of the previous history of Planning Permissions on this site but is nevertheless very concerned that the application site extends further beyond the Village Planning Boundary than do the previously approved sites, as also does the proposed building itself. This further encroachment of the village into "open countryside", being part of the AONB (which is likely to become a National Park) is contrary to Local Plan Policy CT2 and is likely to set an unacceptable precedent for other similar developments in this area in close proximity to the Downs.

2 The scale, mass and design of the proposed building is totally out of character with the environment of The Street, a Conservation Area which features 24 Grade II listed buildings. The building at 8.5m high on rising ground will quite un-necessarily dominate the 16th Century Kingston Manor which is on the adjacent site to the detriment of the character and setting of that Listed Building and to the character and appearance of the Conservation Area.

3 The development conflicts with the Local Plan policies in relation to building in an AONB (CT2 and H12) and will significantly degrade the aspect of the village from Kingston Hill and the Downs – the footings which were laid in 2002 are clearly visible from the Downs. This will be compounded when cars (from a 4 car garage) are parked on the access road which abuts the Downs.

4 The village has seen considerable building since this site was given outline planning permission nearly 20 years ago and is yet another example of the gradual erosion of the rural nature of the village.

12.1.3 LW/04/0183 – Detached house with integral garage and swimming pool on land adjacent to The Bothy, Wellgreen Lane. For Mr & Mrs. Bartholomew. (Mins 78.5 and 95.1.2)
